

BBE ENTRANCE EXAM PPREP COURSE | BBE CLUB

In collaboration with BBE Club, we provide an extensive preparation course to equip you with the necessary skills to pass the entrance test to BBE. Often, students only miss the threshold to get in by only few points, so it is crucial to prepare well and get some insider information for the test.

Course Insights:

- 4-week program, our curated content, and competent tutors you will for sure improve your likelihood of being one of the 240 students of the 2024 intake!
- In the first two sessions we will cover the economics & english part, with the remaining sessions being about the part students often struggle most with, mathematics.
- We will provide you with exclusive study material and share their tips & tricks on how they got into the program.
- We will also provide you with a hands-on approach where we explain and solve questions which are very similar to the usual questions.
- The course will be held hybrid, so on campus, but simultaneously also livestreamed, so you do not need to be at WU to attend.

We are looking forward to work with you soon and equip you with all the knowledge you need for the entrance exam. Get prepared, get in, and forget paying 400€ for it!
